

VLP Founding Partner David Goldenberg Presents a Webinar for Clear Law Institute: "Recruiting Talent by M&A Acqui-Hire Transactions"

VLP Founding Partner David Goldenberg presented a webinar on January 15, 2016 for the *Clear Law Institute*, an online continuing education website. The webinar, entitled "Recruiting Talent by M&A Acqui-Hire Transactions," focused on the use of M&A transactions as a hiring tool.

Companies often face a highly competitive market for a limited pool of talent. Increasingly, companies are foregoing traditional employment offers and instead using an M&A transaction to hire its core team of employees. The webinar gave step-by-step guidance on the acqui-hire transaction and the benefits and risks of using this new recruitment tool, including:

- ➔ What the acqui-hire transaction is
- ➔ The benefits and risks of using acqui-hire transactions
- ➔ Fiduciary issues and hiring process challenges

This webinar will be available for viewing on a computer, tablet, or smartphone until July 15, 2016. Visit the **Clear Law Institute website** to access the recording.
