In addition, Trademark and Copyright partner Brian M. Davis and Executive Compensation partner Stephen T. Lindo were recognized in the 2012 edition of *The Best Lawyers in America*.

David focuses his practice on counseling startup and emerging technology companies in all aspects of their business, including corporate formation, angel and venture capital financing, commercial transactions and mergers and acquisitions. Brian focuses his practice on trademark clearance and prosecution, and has provided advice to the owners of some of the world's most famous brands. He has been named to the *Best Lawyers* list since 2009.

Steve is an experienced negotiator of executive employment, severance and change in control agreements. He provides tax and employment advice to executives, management teams and companies on all aspects of executive compensation. Past chair of the Executive Compensation practice at Willkie Farr & Gallagher for 22 years, Steve has been named to the *Best Lawyers* list every year since 2006.

Best Lawyers is the oldest and a highly respected peer-review publication in the legal profession, and is regarded as one of the most valued referral sources for lawyers. Because lawyers are not required or allowed to pay a fee to be included, a listing in *Best Lawyers* is widely regarded within the legal profession as a significant honor, conferred on a lawyer by his or her peers. Northern California Super Lawyers selects attorneys each year for recognition through a rigorous nomination process that includes peer review by practice area and independent research on candidates. Lawyers recognized on this list have attained a high degree of peer recognition and professional achievement. No more than 2.5 percent of the lawyers in the state receive this honor each year.
