

## **VLP Featured in Corporate Counsel Article for Legal Trends in 2014**

### **“5 Things General Counsel Need to Know for 2014”**

**By Brian Flack**

Dec 19, 2013 - The past year saw some of the largest regulatory fines ever levied, increased global coordination across different regulatory bodies and the continued evolution of the legal market through new technologies and services.

As we head into 2014, the legal landscape is evolving faster than ever before, and general counsel need to stay on top of industry trends, emerging technologies and the complex regulatory environment in which they operate.

From data privacy to cloud-based legal services, here are five things general counsel need to know for the coming year...The legal ecosystem is diversifying rapidly. The firms that general counsel work with—and the way they work with them—are going to drastically evolve in the year ahead...Virtual law firms, such as VLP, are eschewing antiquated overhead costs and adopting nimble technology to offer more affordable and global legal advice.
