Palo Alto, CA (October 1, 2013) – VLP Law Group LLP is pleased to announce the continued expansion of its East Coast corporate practice with the addition of [Timothy R. Bowers](#), who joins as partner based in Boston.

Mr. Bowers counsels founders, companies and investors on angel, venture and private equity investments, buy- and sell-side mergers and acquisitions, joint ventures, securities compliance, entity formation and key business arrangements, including licensing, product distribution, technology development and outsourcing agreements. He has also served as outside general counsel to businesses operating in many industries, including software, online, design, media, retail, food, clean energy and medical devices, acting as a regular key advisor to management and boards of directors on general corporate and strategic matters.

“Tim’s arrival reinforces our commitment to expanding and bolstering our national and East Coast corporate capabilities,” said Christopher La Chance, head of the firm’s Corporate and Securities practice group. “Tim’s experience will complement those of our other corporate partners and increase our ability to serve the Firm’s growing client base.”

Mr. Bowers comes to VLP Law Group from the Boston office of K&L Gates LLP, where he was a member of the corporate/M&A practice group for many years. He is a graduate of the University of Notre Dame and Villanova University School of Law, where he served as Outside Articles Editor of *Villanova Law Review*.

“VLP offers an exciting opportunity to be part of a dynamic alternative to the traditional law firm business model that lets me grow and develop my practice in a setting that offers far more flexibility for myself and my clients,” stated Mr. Bowers.

About VLP's Corporate Practice

VLP has a broad-based corporate practice which is focused on the representation of start-up, middle market and later-stage companies across a range of industries, sectors and technologies, including life sciences, medical devices, clean tech and alternative energy, software, internet and e-commerce, telecommunications, semiconductors, advanced materials, consulting and professional services and government services. VLP's corporate attorneys strive to understand our clients' business and technology to allow us to better collaborate and provide advice with respect to ongoing operational and transactional matters. Our attorneys average over ten years' experience, much of it with large national and global law firms, and leverage that experience every day to deliver corporate legal services at a high level of efficiency and cost-effectiveness to VLP's clients.
