### **About VLP**

Founded in 2008, VLP is a business and transactional law firm that delivers top quality, efficient and cost-effective legal services. Our practice reaches across many industry sectors, including high tech, life sciences, angel and venture capital financings, clean tech, retail, consumer product, commercial lending and real estate. VLP has continued its strong growth, and is made up of noted attorneys with significant experience who believe VLP’s unique, client-oriented and cost-effective model is the best platform for their practice. Our partners are regularly recognized by their peers as outstanding attorneys, and the firm has been recognized as a top company for its promotion of quality of life in the workplace. Our lean model means that we can provide sophisticated, focused services to our clients, and we can do it at competitive rates.

VLP partners represent clients that vary in size from individual executives and early-stage startups to Fortune 500 companies. Our clients include public and private corporations, venture capital investors, private equity funds, educational institutions, nonprofits and individuals. We provide general corporate, licensing, contract, intellectual property protection and counseling, securities regulation, financing, employment, merger and acquisition, real estate, tax and other legal services.

### **About VLP’s Emerging Growth and Venture Capital Practice**

VLP has a strong practice representing venture backed, angel backed, and self-funded emerging growth and start-up companies. VLP provide these clients with assistance across a range of matters, including:

- Venture Capital Financings
- Angel Investments
- Strategic Partnering and Investments
- Private Equity Investments
- Stock Options and other equity compensation matters
- Corporate Partnering Transactions
- Technology Transactions
- General Corporate matters and business counseling

We work closely with these companies and entrepreneurs across the technology and life sciences sectors from entity formation through all phases of growth, to company exit, and provide ongoing corporate counseling and interaction with management teams and Boards of Directors.

In addition to the legal work we perform for our start-up and emerging growth clients, we also have relationships with, and regularly represent in their investment activities, venture capital funds, corporate venture capital groups, and angel, seed and high net worth investors. By virtue

of these relationships, we can help our clients achieve their financing goals by providing strategic introductions to potential investors and strategic partners.
