VLP Attorneys Receive Top Recognition from Best Lawyers®, Super Lawyers, and Lawdragon

VLP Law Group LLP is pleased to announce that multiple attorneys at the firm have been awarded recognition for excellence in the legal industry by Best Lawyers®, Super Lawyers, and Lawdragon.

Six of the firm's attorneys have been named in the 2027 edition of *The Best Lawyers in America*® across 7 different practice areas.

Recognition by Best Lawyers® is universally considered a top honor in the legal field. First published in 1983, the organization is the oldest and most widely respected peer-review publication company in the industry, having earned the trust of the profession, the media, and the public as an unbiased source of legal referrals.

Attorneys are grouped by geographic region and practice areas, then reviewed by their peers on the basis of professional expertise before undergoing an authentication process to ensure details are current and in good standing.

VLP Law Group is proud to congratulate the following attorneys named to the 2027 edition of *The Best Lawyers in America*®:

Gina Betts: Mergers & Acquisitions Law

Brian M. Davis: Copyright Law, Trademark Law, Special Focus: Trademark

Jeff Steele: Corporate Law, Securities / Capital Markets Law, Venture Capital Law

David J. Thibodeau: Patent Law

Doreen Y. Trujillo: Patent Law

Jim White: Patent Law

VLP Law Group LLP is also proud to announce that two of the firm's partners have been recognized as 2026 Super Lawyers.

Selection by Super Lawyers is based on a patented multiphase process that takes place annually on a state-by-state basis, incorporating peer nominations and evaluations as well as extensive independent research that takes into account 12 indicators of professional achievement and peer recognition.

Included in the analysis are verdicts, settlements, transactions, bar/professional activity, pro bono and community service, scholarly lectures and writing, representative clients, education, employment

history, and other outstanding achievements.

Only the top 5% of attorneys in each state are ultimately awarded selection as Super Lawyers.
