

VLP Law Group LLP Recognized Among 2024 Bay Area Best Places to Work

Palo Alto, CA – June 20, 2024 – VLP Law Group LLP has been recognized as a winner of the 2024 Bay Area Best Places to Work, an awards program presented by the San Francisco Business Times and the Silicon Valley Business Journal.

Select employers from the Bay Area were named winners of the award at a ceremony held in San Francisco on June 13, 2024. Coryn Lake, VLP's Director of Administration & Human Resources, accepted the award on behalf of the firm.

Award applicants were evaluated and ranked across five categories according to their number of Bay Area based employees. Winning organizations were honored for having created exceptional workplaces that their employees value highly. There were 450 participating companies vying for spots in the five categories. VLP placed 10th in its category.

Coryn Lake said, "It was an honor to represent VLP and accept the award for the firm. Our culture and our high caliber, engaging VLPeeps set us apart. While I agree that we are one of the best places to work in the SF Bay Area, I would put us up against anyone in the country!"

VLP's Managing Partner Tim Bowers added, "Over our more than 16 years, VLP has carefully cultivated a collaborative culture comprised of talented professionals rowing in the same direction. This award is a testament to those efforts, and it's pretty great to know how strongly connected our VLPeeps feel to this place."

About 2024 Bay Area Best Places to Work

Best Places to Work is an innovative publication and awards program produced by the San Francisco Business Times and the Silicon Valley Business Journal. The rankings were determined by surveys that went directly to employees who answered a series of questions. The survey was administered online by the employers and through a service provided by Quantum Workplace, our research partner. The rankings are numeric based on Quantum's scoring process. By ranking companies and sharing best practices we facilitate idea sharing and help other companies learn from the best.
