

VLP Law Group LLP Recognized in 2021 Bay Area Best Places to Work

VLP has been recognized as a winner of the 2021 Bay Area Best Places to Work, a program presented by the San Francisco Business Times and the Silicon Valley Business Journal.

Select employers from the Bay Area were named winners of the award on May 7, 2021. These winning organizations were honored for having created exceptional workplaces highly valued by their employees.

Award applicants were evaluated and ranked across five categories according to the number of Bay Area employees. The ranking found companies in the region whose employees rate them as the highest on values such as fun, collaborative culture, solid compensation and benefits offerings and other amenities as well as management practices.

“We’re delighted and humbled to be recognized among so many other amazing organizations with which we share a common commitment,” said **Tim Bowers**, VLP’s Managing Partner. “We continue to cultivate the genuine, family-oriented firm culture we began in 2008, and we plan to show up on this list year after year. I don’t know a VLPeep who doesn’t love being at VLP.”
