

VLP Partner Melissa Krasnow Authors International Risk Management Articles “Colorado Privacy Act: Application, Definitions, Rights, and Notices” and “Colorado Privacy Act: Controllers, Assessments, Data, and Enforcement”

VLP Partner **Melissa Krasnow** wrote articles titled “Colorado Privacy Act: Application, Definitions, Rights, and Notices” and “Colorado Privacy Act: Controllers, Assessments, Data, and Enforcement” for International Risk Management, Inc.

The Colorado Privacy Act (CPA) will take effect July 1, 2023.

The first article discusses CPA application and definitions, consumer rights, and privacy notice requirements.

The second article discusses CPA controller and processor responsibilities, controller-processor contracts, data protection assessments, de-identified data, and Colorado attorney general and district attorney enforcement.

To read each article in their entirety, the first can be accessed [here](#) and the second [here](#).
