VLP Partners David Goldenberg and Conrad Everhard Co-Author the article, “How to Get Your Company Acquired” for CFO.com

VLP founding partner David Goldenberg and partner Conrad Everhard, members of the Firm’s Corporate Practice Group, co-wrote an article for *CFO.com* titled, “How to Get Your Company Acquired.”

The article noted that companies considering an exit strategy which involves being acquired should ensure they are properly prepared, so that they can capitalize on an offer when the time comes. Planning the exit properly can help smooth the transition process and may increase the value of your business remarkably.
